Career History

June 2018 – Sept 2018   **Web Developer (College Work Placement)**

Ireland Website Design, 12D Six Cross Roads, Waterford.

- **Retail Excellence Awards Project;** This involved judging eCommerce websites for the "Website of the year awards", under several criteria headings, creating audit reports and marketing strategies.
- **Web Developer;** Providing website support to clients, building and developing websites, updating content, changing layouts, updating GDPR compliance, website testing and preparing sites to go live.
- **Client Training;** Training clients to use the WordPress and Joomla CMS both face to face and using video conference calls.

Oct 2012 – Sept 2014   **Tourism and Economic Development Resource Officer**

Carrick-on-Suir Development Association, Heritage Centre, Main Street, Carrick-on-Suir, Co. Tipperary.

- This was originally a part-time position under the CE Scheme which involved providing a secretarial/administration service for the committee, organising all meetings, minute taking and circulated same among all members. After 12 months the position progressed to a full-time Internship.
- **Online marketing strategies and marketing campaigns;** Implementation of an online website, social media and ensuring the economic development of local tourism and culture.
- **Assisted with local tourism events;** The Clancy Brothers Music and Arts Festival and Historical Town Walk.
- Event Management; Organised an Economic Forum for the COSTEDC committee, assisted with the Heritage Council Ireland Town Walls seminar.
- **Tourism-related projects;** Created a Cycle Routes brochure, Historic Town Walk poster and Carrick-on-Suir tourism leaflets.

May 2001 - Dec 2010   **Manager**

Ormond Soft Furnishings Ltd, Barrack Lane, Carrick-on-Suir, Co. Tipperary.

- Initially, this position involved assisting with sales and administration, after 2 years I was promoted to the position of manager over the Carrick-on-Suir branch.
- Successfully managed several hotel contracts and large domestic projects.
- Full responsibility and management of the day to day running of the office, shop, and workshop.
- Involved in the recruitment and training of new staff.

1998 - 2001   **Accounts Assistant**

Returned from the UK in 1998 after living and working there for 10 years. I took on several contract jobs as an accounts assistant before securing the position in Ormond Soft Furnishings.

1996 - 1998   **Payroll Assistant / Payroll Manager**

St. Anthony's Hospital, North Cheam, Surrey, UK.

1991 - 1996   **Ward Admin Assistant**

Great Ormond Street Children Hospital, London, UK.

Achievements

- **App Development;** Currently developing an Augmentative and Alternative Communication App using C#, to support non-verbal individuals with Intellectual Disabilities for my 4th year project. This project has been entered into the **Universal Design Grand Challenge Student Awards 2019**. Developed a Hybrid Web App using the Ionic framework https://play.google.com/store/apps/details?id=io.ionic.driftv2.
- **Web Development;** The following are some freelance websites I have developed; ICT in Education www.ictedu.ie, Scrummy Yummies Catering www.scrummieyummies.com and I am currently developing an eCommerce website for Stable Lane Digital Hub www.stablelanehub.com.
- **Event Management;** Gained an award from the Heritage Council Ireland, for Carrick-on-Suir to host the Town Walls seminar, during October 2014 and organised an Economic Forum for the Carrick-on-Suir Tourism and Economic Development Committee, during May 2013.
- **Consultant;** Acted on a voluntary basis, as a consultant for the start-up of a new retail Interior Design Shop during October 2012.
